

Free Learning App Instructions:

1. Follow this link to the [Mapping the Business Supply Chain](#) listing in the University Learning Store catalog.
2. On the Mapping the Business Supply Chain page, click **learning app** below the About Course Author(s) section. This will direct you to the signup page for Fidelis, the platform that hosts the University Learning Store.
3. On the Fidelis signup page, fill out each field to create an account.
4. Check the box next to **Agree to Terms & Conditions**, and then click **Sign Up**. You will need to use this account to access your offerings later.
5. Once you log in to Fidelis, you will be directed to the Mapping the Business Supply Chain learning app homepage. Click **Add for Free** below the app intro image.
6. In the pop-up window, select a date to complete the learning app by and then click **Start App**.
7. Now you have access to all of the content in this learning app.
8. To navigate the learning app sequentially, click the blue button marked with a white arrow. To navigate the learning app in whatever order you choose, click the title of the desired page in the navigation pane on the right.
9. Take some time to explore, and then return to these instructions when you are finished.
